

Louisville Jan 7th 1862.

Hon. Joseph Holt.

My Dear Sir.

My much esteemed friend,

Mr. A. Y. Clegg, is desirous of obtaining an appointment as Pay Master or as Commissary of Subsistence in the U.S. Army.

Mr. Clegg has long been a resident of Louisville, and I know him to be a man of strict integrity, and is also possessed of fine business capacity and of industrious habits. In a word he is altogether worthy of public and private confidence.

If you can be of any service to him in attaining his object you will much oblige

Yours Truly
W. H. Bullock
