

J.R. #3)

This device is none, but for
advertising purposes it will be
very catchy... and as you will
no doubt put out some kind
of Campaign advertisement I
was sure like to have part of
your business! I wish I could
see you in person, and
thank you very very much for
your kindness, consideration, to
this rather lengthy letter, and
Trusting that I may receive
from you an early and
favorable Reply.

I am sending under separate
cover, a Rough Model and Copy
of my patent. I am also
enclosing my Baby picture, the
one that I am working
for. and the reason I
am writing you regarding
my novelty, is to see if I can't.
